

Water Rates In Canyon Are Discussed by Mayor

Need of High Rates Is Defended As Expenses of City Are Shown In Talk Tuesday

BONDS REDUCED

City Is In Fine Financial Condition States C. R. Burrow

Mayor C. R. Burrow spoke Tuesday at the Rotary Club luncheon, making a report on conditions of the city, and presenting the City Commission's views on the water situation.

Miss Naomi Slay of Wellington played a group of accoridian solos, and a piano number.

Guests of the club were Miss Slay, Miss Virginia Lee Hussey, and C. E. Cronover of Amarillo.

Mayor Burrow was introduced by Jesse Barker.

In view of the great interest in the Mayor's subject, the following full report is made of his talk:

"In that there has been considerable criticism of the present city administration, directed especially at the prevailing city water rate, we are glad of the opportunity to give you an accounting of the stewardship in connection with the handling of not only the water situation, but other departments of the city as well.

"It takes so much money with which to meet the expenses of the city government — regardless of whether it comes from the property tax payers, or from the water tax. Since there are so many living within the city who are not property tax payers, we, following the lead of all previous administrations, have elected to keep our water rate at a figure that would make that department of the city more than pay its way, and in so doing, let those who do not pay a property tax help in paying the expenses of the city government by the water tax route, who would otherwise do a lot of free wheeling at the expense of those of us whose property is back of the bonded indebtedness of the city.

Red Cross Will End Roll Call

Report of All Workers Is Desired Before Thanksgiving by Harp

The annual Red Cross Roll Call is going over well in Randall County, stated Guy Harp, county chairman, yesterday. Mr. Harp has requested that all solicitors report as soon as possible either to him or to Mrs. J. M. Daugherty, Roll Call chairman.

The Ralph Home Demonstration Club reports 100% membership for the Red Cross.

Good reports come from the Garrison and other Home Demonstration Clubs. The Canyon Rotary Club is 98%.

A good response was made among the business houses. Since a large percent of the membership money remains in Randall county to carry on relief work, it is urged that all citizens who have not responded to the Roll Call to do so at once.

The annual call officially closes on Thanksgiving Day, and a full report of all workers is desired before that time, states Mr. Harp.

1938 Car License Plates Are White and Are Larger

Tax Collector R. N. Barnett has received the 1938 automobile license plates for Randall county which will be on sale in the spring.

The plates are white and black, and are larger than the 1937 plates. The numbers for Randall county run from 953-001 to 954-200.

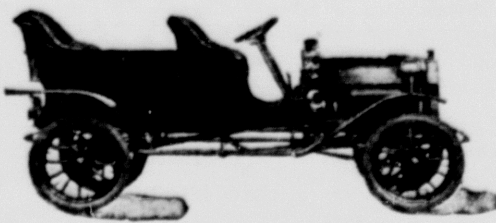

The plates are made in the penitentiary at Huntsville, and trustees delivered the plates at the court house.

Churches To Hold Thanksgiving Service Tuesday Nite

In keeping with the tradition of the city of Canyon, the Churches are presenting a community service to express the gratitude of this city in this period of Thanksgiving. The service will be held this year in the First Christian Church at 7:30, Tuesday, Nov. 23.

Rev. A. M. Dorsett will present the message of the evening and the worship service will be presented through the co-operation of the Churches of the city. The services will be held Tuesday to make the program more convenient for those who are leaving for the holiday season.

A most earnest invitation is extended to the Christian people of this community to join in this hour of thanksgiving.

Annual Banquet Chamber To Be Held Tonight

New Officers Will Be Named Following Program at the Christian Church

The annual banquet of the Canyon Chamber of Commerce will be held at 7:30 tonight at the First Christian Church. W. A. Warren, president of the organization, will preside at the program and the business session when new officers will be elected for the coming year.

S. H. Condon, director of the organization, will discuss the future of Canyon.

Irby Carruth, director, will make suggestions as to the future work that may be accomplished by the Chamber of Commerce.

Following the report of these two directors, Mr. Warren will call upon a few business and professional leaders to discuss local problems.

A report will be made by the nominating committee which was recently appointed by the present directors, and officers will be elected for the coming year.

The newly elected president will close the program with a brief discussion of his plans for the coming year.

Marshall Riemenschneider will furnish special music for the program.

Nearly 100 tickets had been sold for the banquet yesterday.

Floyd L. Sloan To Aid War Veterans Here Friday Morn

John Hunter, Post Commander of the local American Legion, announces that Floyd L. Sloan of Amarillo, who is Assistant Veterans' State Service Officer of Texas, will be in Canyon Friday morning, Nov. 19, for the purpose of contacting and assisting all war veterans and their dependants relative to government benefits they are entitled to receive under the present veterans' laws. Mr. Sloan will be located at the American Legion Home, and all those interested in contacting him are asked to see Mr. Sloan there during the morning.

Test Will Start on New Drivers License

State Officers To Be In Canyon Each Thursday Morning

Two driver's license examiners of the Department of Public Safety will be in Canyon today to conduct tests for drivers applying for their license.

Establishing headquarters at the court house the officers will give the examinations every Thursday of each week from 9:00 to 11:30 a. m. In applying for the driving tests the applicant must furnish his own vehicle or one he proposes to operate after he secures a license, the safety director pointed out.

After oral quizzes are completed each applicant will be required to drive his car or truck over a designated route under the supervision of one of the examiners. During the drive the operator must demonstrate the use of his foot and hand brakes, stop for signals and perform other acts necessitated in ordinary traffic situations. Before the actual driving test is made the examiners will quiz the license applicants on safety regulations and signals, highway laws and make tests of their eyesight and hearing. Any physical deformities will be recorded on a grade card.

Not only will driver's license applicants be examined as to their ability to handle a vehicle with safety, but the vehicle itself will be tested for defects in brakes, horn, lights, rear-view mirror, and windshield wiper.

If a driver proves his ability to operate his vehicle with care and safety he will immediately receive his license at the examination headquarters. If a passing grade is not made after the test is completed, an instruction permit card will be issued which requires the applicant to return at a later date for another examination.

Truck, bus, and other commercial vehicle drivers will be issued licenses divided into three classes, A, B, and C, according to the type of vehicle to be operated. Passenger and school bus drivers are issued a permit bearing a special endorsement of the Department.

Drivers seeking their licenses should verse themselves in safety regulation, rules of the highway and the mechanical operations of their vehicles in preparations for the tests.

S. H. Condon is in Vernon attending the annual conference of the Methodist church.

News Will Publish Next Wednesday For Thanksgiving

The News will be published late Wednesday afternoon. Thanksgiving comes on Thursday and it is the desire of all The News force to observe the holiday.

All correspondents and reporters must turn in copy one day earlier than usual in order to make sure that their news reports are published next week.

The co-operation of advertisers will be greatly appreciated in getting copy in early for next week's edition.

Census Is Being Taken Unemployed During This Week

Three classes of citizens are urged to sign the Unemployment Report Cards this week and mail them back to Washington:

1. Those totally unemployed and want work.
2. Those partly employed and want more work.
3. All who are working at WPA, NYA, CCC, and other emergency jobs.

Cards were distributed to all homes in the United States Tuesday by the postoffice department. Those who are employed and those who do not seek work of any kind are not asked to sign the cards.

President Roosevelt spoke over a national hookup Sunday evening, explaining in detail the object of this census. The President asks that all who seek work should by all means sign the cards, as he wishes to help them get jobs if it is humanly possible to do so.

This is the first attempt on the part of the government to get an accurate census of the unemployed in the nation. Various estimates have been made of unemployment, but the President hopes that this census will give a true and correct picture of the unemployment situation.

The President requests all citizens to assist in this census by calling upon those who are unemployed and who may have been missed in this census. The fact that any citizen signs these cards will not alter his standing on government relief jobs, or in securing future government jobs. The government is seeking to secure a full and definite list of all who are out of work and who want jobs.

It is requested that all cards be filled out and mailed by Saturday night, Nov. 20. No postage is required. Those who have not secured cards may get them at the post-office.

Coldest Weather Is Registered Here on Tuesday Night

The thermometer dropped to 22 degrees above zero Tuesday night. This was the first hard freeze of the season.

The temperature was 24 degrees Wednesday and 30 degrees this morning.

A cold north wind was sweeping from the north this morning, with some snow flakes in the air.

Magazine Peddlers Could Not Believe Their Eyes

The News has magazine bargains which the magazine peddlers say are impossible. The peddlers have never heard of such low rates.

A subscriber of The News states that the list offered by The News was submitted to a number of magazine peddlers. All said that The News could not secure the magazines at such low rates as are advertised.

The News is furnishing many people in Randall county with these bargains, both in magazines and in clubbing rates with daily newspapers.

Heads Honor Roll of State Having Sewer Connection

Unusual Honor Is Given Canyon by State Health Department In Honor Roll of Year

ONLY 9 MENTIONED

City Water Supply Is Among Few In State With Approval

Canyon heads all towns in Texas for having the highest percentage of its population connected to a water flush system of sewage disposal.

Mayor C. R. Burrow received a letter from the State Board of Health yesterday, enclosing the Texas Honor Roll for 1937. Canyon heads the list of all towns in the state. Only nine towns in Texas were placed on the honor roll this year by the Health Department, with Canyon heading the list.

Geo. W. Cox, State Health Officer, writes Mayor Burrow: "This honor place has been secured thru the interest and co-operation of the city officials, and therefore, you may feel it proper to frame and post this honor roll in your city hall."

Canyon is one of 52 towns in the state with a fully approved water supply, and this honor in heading the list for sewer connections makes the town of Canyon an ideal place so far as health conditions are concerned.

1937 Agricultural Program Checked

Signing of Vouchers To Be Held Soon By Farmers in County

The County Agent's office is busy this week preparing applications for payment under the 1937 Agricultural Conservation Program. Compliance has been approved in the State office on 686 farms. There will be a total of about 840 farm units participating in the payments for 1937. About 750 of these will receive payment for full compliance and the balance will be paid for whatever part of full compliance they elected to make.

It is expected that applications for payment, now being prepared, will be ready for signatures of the producers about Nov. 29 to Dec. 4. They will then be in line for audit by the Treasury Department and payment.

According to present plans it is expected that payment will start early in January. Auditing and check writing for the State of Texas will perhaps require about 90 days to complete.

A number of Randall county compliance forms will be delayed on account of time required to secure absentee landlords signatures after operators have signed. Some will be delayed on account of unfinished compliance. These include farms where changes were made after inspection, such as, cover crops being harvested or grazed or where contour listing is being added in order to increase number 2 payments.

Seismograph Crew Is Moved Thursday, But Likely Return

The seismograph crew which has been working in Randall county for several weeks was moved upon receipt of a telegram Thursday evening. The crew had believed that they would likely be left here for several months. No explanations were given as to the change in the location of their operation. Members of the crew believed they would be back here about the first of January.

It is reported that efforts are being made to block acreage in both the east and west parts of the county in order to drill test wells. So far the blocks have not been completed.

The old problem of paying for the Palo Duro State Park is again with us. Like Banco's ghost, the problem continues to bob up. When the State Park Board took over the land with the huge debt to be paid from the receipts, it was hoped that the Park would be self-liquidating. Time has proven this to be a very great fallacy, and instead of liquidating the debt, it is found that interest has piled up until the total debt against the 15,500 acres now amounts to practically a half million dollars. The federal government has spent more than a million dollars on improvements. The National Park Service is now demanding that the title to the land be secured or it will be necessary to close down work. If work is closed down, there is danger of the land reverting to private parties. The income of the park is not sufficient for the park to be operated without CCC work continuing to maintain the roads and crossings. The State of Texas has never spent a dime on the park, aside from the small expense of supervision. Randall county has spent several thousand dollars on the enterprise; the citizens of Amarillo have spent a considerable amount of money. It would be a shame if it were found necessary to abandon the park and turn it back to the original owners of the land. If the National Park Service ever withdraws, it will not likely resume work, since under the economy movement in Washington all such work is rapidly being curtailed. The people of the Panhandle need the Palo Duro State Park, but there are none who wish to see the State and the Federal governments continue with an impossible contract that can never be carried out.

find themselves in a rather difficult and embarrassing position when they face the voters of Mr. Jones' district. Marvin Jones has fought for the bread and butter for the people of his district, and he has won for them. The Anti-New Dealers deplore the fact that Federal money is being spent in Texas, and have branded aid to the farmers and school children of Texas. The Anti-New Dealers will have more to explain in their last political connections than will Mr. Jones in his fight for the common people of this district. They will find the farmers lined up solidly for Jones; they will find the laborers backing Jones to a man; they will find the business people grateful to Jones for his interest in the people of his district. The few disgruntled Jeffersonian Democrats, Republicans and belly-achers in general will have a very difficult time in convincing the people to turn down their loyal friend, Marvin Jones, for one of their gang who has nothing to offer to the people. The people of this district are certainly intelligent enough to distinguish between faithful performance and empty promises.

Citizens of Canyon will be asked to vote on a \$10,000 bond issue for paving 66 blocks. That is a mighty cheap price for paving since the federal government will put \$17,676 into the deal. Canyon has a very low bonded indebtedness. The streets designated for paving need this improvement very badly. All WPA projects in Randall county will end about the first of January. Unless the bonds are approved and this street work started, chances are that the county and city will be called upon to take care of men now on WPA rolls. It is easy to figure how the city and county will be forced to pay out \$10,000 or more, without the bond issue, and that we shall lose the \$17,676 that the government would put into the paving project. It is likely that the paving could be done more cheaply under contract than under WPA, but the loss of the federal money and the fact that men on the WPA rolls must be taken care of, is the real motive for submitting the bond issue at this time. All citizens should go to the polls November 30th and express their opinion on this \$10,000 bond issue. If the bond issue is to be rejected, it should be by a full vote of qualified voters of Canyon; likewise, if the bond issue is to be approved, it should be done with all qualified citizens going to the polls. Too often bond issues are passed or rejected by a very small percent of the voters taking the trouble to go to the polls.

While Governor Allred and many citizens of Texas are lambasting the legislators for failing to pass the Governor's tax bill in the recent special session, there are thousands of harassed business men who rejoice that additional taxes will not be imposed upon them. They are not saying much, but occasionally some brave one breaks forth and highly praises the legislature. Meanwhile, the muddle still continues in the Board of Control as to the old age payments. The director of this department says that he has been limited by the Board as to the money he will have for payments, while the three Board members deny that any such instructions have been issued. The Board of Control is supposed to be a highly efficient business organization, free from political pressure. In this instance, it would seem that something has gone radically wrong in the calculations of the members and director of Old Age Assistance.

Why all this talk about war? And why should America again get mixed up in a foreign war? It is no secret that European conditions are worrying President Roosevelt a lot more than some of the national

problems. The President was in the World War and knows the horrors of war. America is openly favorable to China as against Japan although the latter is one of our best customers. This nation has seen millions of Chinese die of hunger and done nothing or little about it, so why endanger the lives of thousands of men by getting mixed up in that fracas? We have not become "burned down" at the massacre of thousands of Russians by rulers within that nation, so why become incensed to the point of war just to help Russia? The same thing is true of the other warlike nations. It is true that the munition makers of this nation would gladly plunge America into another war, but are not the people of this nation big enough to stop the unnecessary slaughter of our boys and men who would be drawn into the fight? Such a muddle! No one has the least idea as to what will happen next in world affairs.

Citizens of Canyon will hear a report from the officers of the Chamber of Commerce at the annual banquet to be held tonight. This organization has accomplished a wonderful amount of work during the past 18 months considering the small amount of money with which it has had for operation costs. The organization has not gone around bragging about its accomplishments, but has kept steadily at work for the interest of the people of Canyon. New officers will be elected tonight. They will be handed a full program of work for the coming year by the retiring members of the board of directors. Too often the local citizens take it for granted that the Chamber of Commerce will continue to function regardless of their interest in the organization. Yes, it will no doubt continue in its work, but it could do a much better job if all business and professional men of the community would get in behind the organization and help it with community problems.

The News has been publishing a weekly letter from Governor Allred. He started writing a very interesting column on state events. But since the opening of the late lamented special session of the legislature, the Governor has used his column as a whipping post for those with whom he cannot agree. Therefore, The News will not publish such communications until the Governor finds something of interest in this great state to write about.

Mrs. Roosevelt has let it clearly be known that the time has not arrived for a woman to run for President. We thought the same thing about a woman running for Governor of Texas, but Ma Ferguson won.

Prof. Clark Given Recognition for Work in Music

To Prof. Wallace R. Clark, head of the department of music, has come an honor granted in recognition of outstanding work in his field here.

Prof. Clark has been made a member of the Chicago Council of Teachers of Singing, which has a program national in scope in several particulars. Membership in the group is by invitation only, and is given only to those who contribute substantially to the advancement of the art. The president of the organization is D. A. Clippinger of Chicago, internationally famous teacher of singing, who was for more than 25 years director of the Chicago Madrigal Club. He is the author of numerous books and articles.

When the Chicago master decided to retire as conductor of the Madrigal club a few years ago he made it possible for his former pupil and friend, Prof. Clark, and West Texas State to obtain the club's madrigal library—the finest in the country. This library has brought international fame to the college among musicians. It is used every year by the Madrigal club conducted by Prof. Clark. Several seasons ago Prof. Clippinger came to Canyon and conducted a madrigal program by the group. He stated at that time that he placed the library at Canyon because the West Texas State department head not only appreciated madrigal music to an unusual extent but knew more about madrigals than any other person in the country.

To this remark Prof. Clark replied that Mr. Clippinger is the foremost American authority on the subject. As usually organized, the madrigal club is a group of 32 voices, singing without accompaniment. For them much outstanding music has been written.

By virtue of his membership in the Chicago Council of Teachers of Singing, Prof. Clark will receive each month a copy of the minutes of the previous meeting, as well as club brochures on vocal topics. To the latter he will be invited to contribute ideas and articles. The club also holds an annual song competition open to American composers. The next contest will start shortly.

Membership in the Madrigal Club here is regarded by students as so desirable that the group has a waiting list. Currently it is preparing a program of short madrigals which have been requested by persons who have been hearing concerts by the organization since it was formed in 1919.

The major concert of the Madrigal club will be given in the spring.

Buffaloes Spill Bronchos 41-20 In Weird Last Half of Game

Violent scoring thrusts in the last half presented a freak brand of football as the West Texas State Buffaloes stormed to a 41-20 victory over the New Mexico Military Institute Bronchos, Saturday.

Midway in the third quarter with the score deadlocked at 14-14, Craig Walling, Buff left end, blocked Cadet MacGillivray's punt. Donald Kendrick grabbed the loose ball and rumbled to the 30. The scoring pass play, Watkins to Dow, sent the Buffs into the lead.

From this point, both clubs unveiled lusty offensive thrusts that swept the small crowd off their feet. Immediately afterwards, Floyd Murry scooted for a score from the 14 behind fine blocking.

The next counter was a result of Watkin's pass to lanky Lother Stephenson in the right flat zone from the 31. Gains by Murry, Dow,

and Butler placed the ball in scoring position.

With a 20-point lead, the Buffs let down long enough for Cadet Lusk to reel off the longest jaunt of the veritable slap-bang game. Gathering L. Williams' long kickoff on his two yard line he squeezed through an opening in the Buff line and ran straight up the field without being herded off. The attempt for extra point was messed up.

A determined Buffalo crew scaled the heights again before handing in their uniforms for the year. Their relentless drive began on their own 10. Marching to the 35, Quarterback Watkins became air-minded when he stepped back on the Cadet 45 and picked out fleet Ernest Schur, substitute for Walling, and tossed a wad that contained six points when Schur deftly caught it as he fell into the end zone. Slack converted from placement for the final score of the 1937 season. Score 41-20.

Heavily outweighed by their opponents, the Cadets played valourously and presented a crafty machine in the open field with their assortment of laterals. Near the end of the first chapter MacGillivray flipped to Gray who wheeled and lateraled to Fullback Holloman who caught on the dead run for the first counter.

The Buffalo band and pep squad entertained with exhibitions during the half.

Clarendon College defeated the normal in football, 12-0. Cecil Winder, son of Mr. and Mrs. J. P. Winder, had his arm broken in the game.

John Knight shaved off the mustache which he had worn for many, many years. Local citizens failed to recognize him at first sight, and Mrs. Knight started to protest against a stranger getting into the buggy with her when she first saw him minus the usual facial decorations.

Members of the Board of Regents visited the normal. Those here were: A. C. Goeth of Austin, Peter Radford of Ft. Worth, Walter Crawford of Beaumont, W. H. Fuqua of Amarillo, and State Superintendent of Public Instruction, F. M. Bralley. Rev. F. M. Neal was returned as pastor of the local Methodist Church.

Mr. and Mrs. G. E. Wesley were dinner guests in the Sanford Sharps home Sunday.

Mr. and Mrs. W. F. Barnard are staying in Amarillo where Mr. Barnard is taking treatments.

Mr. and Mrs. Hollis Shipman have moved to the Tucker place. Mrs. Tucker moved to Happy.

Woodrow Tucker expects to attend a business college in Missouri.

Pep Squad Performs In Full Uniform At Game Saturday

The W. T. pep squad performed in complete uniform for the first time at the half in the Buff-Broncho game Saturday afternoon.

The cheering organization marched on the field in four columns, one from each corner of the field. A color guard with the U. S. flag, advanced from the east side of the field to the center, and the four columns formed a pin-wheel around the flag.

Members of the pep squad carried streamers of red and white, the colors of the Buffalo team. Buffalo Band also paraded and furnished music for the pep organization.

All pep squad sweaters, which were bought a few weeks ago, were returned to the campus last week with large W. T. letters on the front. The sweaters are maroon, and had been worn since Homecoming when they were sent back to have the letters sewn on.

KEEP YOUTHFUL-DRINK MILK

National Milk Week November 14 to 20

"The cow is a most wonderful laboratory. She takes the grasses of the pasture, and the roughage of the field, and converts them into the most perfect food for man. In that food there is a mysterious something which scientists have found essential to the highest health of the human race, and which can be found nowhere else. Men have sought for centuries the fabled Fountain of Youth. The nearest approach to that fountain which has yet been discovered is the udder of the cow. Without her milk, children languish, the vigor of the adult declines, and the vitality of the human race runs low."—A tribute by Hon. Frank O. Lowden, Sinsissippi Farm, Illinois.

Basketball Squad Starts Practice As 18 Report

Equipment was issued to eighteen candidates Sunday for the West Texas State basketball team.

There will be a series of light workouts this week. Emphasis will be placed on the fundamentals of handling the ball, passing, shooting and dribbling. Coaches Al Baggett and Tony Dougal will be in charge of the thin-clads.

Pacing this group of selected players is Captain Conway Butler, six feet two inch forward from Turkey. For the last two years, Butler has garnered runner-up honors in the scoring lane. His accurate overhead push-shot has been a puzzle to all opposition in this period. His coolness under fire has made him a valuable cog in the last two seasons of play.

Following Butler in the list are Raymond Shackelford, six feet eight inch center, Lother Stephenson, six feet six inches, Craig Walling, six feet three inches, and squadman Joe Hayes, midget forward. Other squadmen reporting are Foster Watkins, Melvin Cullender, Chick Neilson, Buck Amburn, and Odell Washington.

The lone transfer of the group is Big J. E. Pletzsch of Amarillo. Pletzsch will be remembered as the ball-handler de-luxe for the Amarillo Junior College Badgers of a few years back when that crew slapped the West Texas Yearlings in straight games. His one-handed push-shot fashions him as a deadly scorer.

Up from the freshman ranks are Donald Kendrick, Ernest Schur, George Taylor, Jack Edmondson, Carl Matney, and Dewey Johnson.

UNFAVORABLE OUTLOOK

A visitor to Ireland was bidding farewell, and said to an attendant: "Goodbye, Pat."

"Goodbye, yer honor. May Heaven bless you, and may every hair in your head be a candle to light your soul to glory!"

"Well, Pat," he said, "when that time comes there won't be much of a torchlight procession."

A town dweller walking in the country had a conversation with a farm laborer who, after a few minutes, volunteered the information that he was seventy-four.

"You are remarkably fit for a man of seventy-four," said the town dweller. "How old was your father when he died?"

"Father's not dead," replied the laborer; "there he is in the garden reading the paper to grandfather."

NOTICE OF ELECTION

WHEREAS, the City Commission of the City of Canyon deems it advisable to issue bonds of the said City for the purpose hereinafter mentioned.

THEREFORE, BE IT ORDERED BY THE CITY COMMISSION OF THE CITY OF CANYON, TEXAS, that an election be held on the 30th day of November, 1937, at which election the following proposition shall be submitted.

Shall the City Commission of the

City of Canyon, Texas, be authorized to issue the bonds of the City of Canyon, in the sum of \$10,000.00, payable serially not to exceed (20) years from their date, bearing interest at the rate not to exceed four (4%) per cent per annum, payable semi-annually and to levy a tax sufficient to pay the sinking fund on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of the construction and improvement of streets for said City, as authorized by the Constitution and Laws of the State of Texas.

The said election shall be held at City Hall Building, with C. H. Jarrett, as Presiding Judge, Oscar Hunt and John Fry as Judges, and Joe Black and J. P. Hix as Clerks.

The said election shall be held under the provisions of the Constitution and Laws of the State of Texas, and only qualified voters, who own taxable property in said City and who have duly rendered the same for taxation, shall be allowed to vote.

The ballots for said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote.

The manner of holding said election shall be governed by the laws of the State regulating general elections.

A copy of this order signed by the Mayor of the City of Canyon, attested by the City Secretary of said City, shall serve as a proper notice of said election.

The Mayor is authorized and directed to cause said notice of the election to be posted up at the City Hall, and at one public place in the voting place of the City of Canyon, for at least fourteen (14) full days prior to the date of said election.

The Mayor is further authorized and directed to have said notice of election published in some newspaper of general circulation published in said City, and which notice shall be published on the same day in each of two (2) successive weeks, the date of first publication being not less than fourteen (14) full days prior to the date of the election.

MRS. J. D. GAMBLE IS HONORED WITH A PARTY

On the eve of her departure for Fort Worth as a permanent resident, Mrs. J. D. Gamble, Sr. was tendered a shower by Mrs. S. L. Ingham and Mrs. C. N. Harrison at the Ingham home last Thursday afternoon.

The home was appropriately decorated with vari-colored chrysanthemums and other fall flowers.

At their entrance, guests were conducted into a bedroom and given a card, a pencil, and an envelope to write a jingle piece for a train letter. Many were the demurrers against the form requested, but the result will be known only to the honoree, and in her loving heart these efforts will rank as real lyrics, for they expressed sincere emotion and were signed with names of close friends.

After delightful conversation, the guests were served tea or coffee with cakes, candies, salted nuts, and sandwiches. Mrs. Harvey Cash presided at the silver service.

Only Mrs. Gamble was surprised at the next feature of the entertainment—a shower (perhaps a rain) of lovely lingerie and other useful items. Miss Jessie DeGraffenried presented Mrs. Gamble with a corsage of fragrant pink roses, and Mrs. H. C. Roffey presided over the hand-painted guest book, a product of her own deft fingers.

The party was a great success, even though some drops there were, nearer akin to a real shower than the substantial gifts; for Mrs. Gamble has been a favorite in Canyon.

Out of town guests invited were: Mrs. C. R. McAfee, Mrs. Ben Mead, Mrs. Earline Garrison Sadler, Mrs. D. A. Park, Mrs. J. L. McReynolds, Mrs. George Abbot, Mrs. J. D. Gamble, Jr., all of Amarillo; Mrs. J. M. Redfearn of Plainview; Mrs. M. E. Hawkins of Memphis, and Mrs. Bob Pipkin of Hereford.

Invited from Canyon were Mrs. Henry Bradford, Mrs. W. C. Black, Mrs. I. B. Carruth, Mrs. Harvey Cash, Mrs. R. McGee, Mrs. C. R. Burrow, Mrs. E. H. Ackley, Mrs. C. H. Rockwell, Mrs. J. J. Walker, Mrs. Ethel Black, Mrs. Grady Oldham, Mrs. Jim Coffee, Mrs. C. R. Flesher, Mrs. W. C. Baird, Mrs. D. A. Shirley, Mrs. Clyde McElroy, Mrs. N. E. McIntire, Mrs. C. W. Warwick, Mrs. T. V. Reeves, Mrs. W. H. Stroud, Mrs. H. C. Roffey, Mrs. M. C. DeGraffenried, Mrs. Joe Service, Mrs. O. G. Eckhardt, Mrs. Wallace R. Clark, Misses M. Moss Richardson, Ruth Lowes, Annie Ruth Eastus, and Jessie DeGraffenried.

REBEKAH LODGE MEETS IN NEW HOME TUESDAY

The Canyon City Rebekah Lodge met for the first time Tuesday evening in their new home which is located on 16th Street opposite the court house.

A large number of members were present and two visitors. After Lodge, the Hall was decorated for the next meeting night. Plans are going forward for a Thanksgiving Jubilee to be held in the near future. All members and visiting Rebekahs are cordially invited to attend the regular meetings which are held each Tuesday evening at 7:30 p. m.

MRS. E. C. HAWES HAS DAUGHTERS HOME

Mr. and Mrs. E. C. Hawes entertained a group of friends at their home here last Thursday evening, honoring their daughters who were home for the day. The Canyon Novelty Orchestra played during the evening and singing was enjoyed by the group. Refreshments of coffee and cake were served.

Present were Mr. and Mrs. W. B. Weddington and son, Don, and Mr. and Mrs. J. L. Williamson and son, Truman, and Mrs. Alexander and son, all of Amarillo, and Mr. and Mrs. E. C. Penick, who were all guests of the day. Others coming in for the evening were Mr. and Mrs. Gunter and three daughters of Amarillo, and Mr. and Mrs. J. W. Spencer and family.

COLLEGE DAMES ENJOY SOCIAL WITH MISS LYLES FRIDAY

Miss Helen Lyles was hostess to the College Dames Club Friday afternoon from three to five o'clock at the Little House of Fellowship. The guests were received by Mrs. J. Dan Archer, Mrs. Wilson Weed and Mrs. Early Dutton, co-hostesses for the occasion.

Mrs. F. M. Munson presided over the attractive guest book which was presented to the hostess.

The entertaining suite was decorated with baskets and vases of colorful flowers. Mrs. P. L. Walters presided during the meeting. Roll call was answered by naming "Mothers of Famous Men," in the absence of the guest speaker, Miss Florence McMurtry, whose subject was "Personality of the Mother."

Miss Helen Lyles very interestingly told of her recent trip to Cincinnati, where she attended the convention of the Episcopal church, followed by Miss Rebecca Cole playing a group of "Mother" songs on the piano.

The refreshment plate attractively carried out the fall motif, and Miss Lyles poured at the lace covered table centered with yellow chrysanthemums in a blue bowl.

Those present to enjoy the afternoon were: Mrs. Pattie Wilson, Mrs. C. Shuman, Mrs. J. W. Shook, Mrs. Otis Archer, Mrs. Alice Coulter, Mrs. W. J. Hinkle, Mrs. M. E. Cleavenger, Mrs. Otis McCall, Mrs. W. D. Bulls, Mrs. Oscar Harris, Mrs. Pearl Jennings, Mrs. M. J. Allen, Mrs. D. M. Tinkle, Mrs. W. M. Davis, Mrs. G. B. Bourland, Mrs. R. A. Hodges, Mrs. A. L. Tarlton, Mrs. P. L. Walters, Mrs. C. R. Graves, Mrs. I. F. SoRelle, Mrs. F. M. Munson, Mrs. J. Dan Archer, Mrs. Wilson Weed, Miss Rebecca Cole, and Miss Lyles. The College Dames will meet again on Friday, Dec. 3, with Mrs. J. A. Hill, Miss M. Moss Richardson and Miss Florence McMurtry will act as co-hostesses.

RALPH CLUB ENJOYS TURKEY DINNER WITH MRS. PERSONS

Members of the Ralph Home Demonstration Club met with Mrs. H. G. Persons, Nov. 10, with Miss Frances Wilroy in charge of the salad demonstration. Several attractive and tasty salads were made from a variety of vegetables by the demonstrator.

At the business hour the following officers were appointed: parliamentarian, Mrs. H. G. Persons; reporter, Mrs. Carl Schroeder; kitchen demonstrator, Mrs. Lynn Heizer; garden demonstrator, Mrs. T. C. Gooch. Reports for the year from different committees were given.

Plans were made for the Christmas party which will be in the home of Mrs. M. O. Slack, December 1st.

Fall flowers were used for house decorations, and at the noon hour a lovely turkey dinner was served by the hostess.

Present were Mrs. R. B. Gist, Mrs. Francis, and Miss Frances Wilroy, guests; Mrs. T. C. Gooch, Mrs. W. L. Browning, Mrs. Lynn Heizer, Mrs. Clarence Bauer, Mrs. J. V. Williams, Mrs. S. S. Howell, Mrs. M. O. Slack, Mrs. Carl Schroeder, Mrs. Ruth Hill, and Mrs. Clarence Adcock.

CLUB ENJOYS DINNER BRIDGE FRIDAY EVE

Mr. and Mrs. Irby Carruth were host and hostess last Friday evening at their home when the monthly dinner-bridge for the Friday Afternoon Bridge Club members and their husbands as guests, was held.

Beautiful arrangements of fall flowers made up the attractive house decorations for the occasion.

Following a tasty dinner, bridge was played until a late hour by those seated, including: Mr. and Mrs. W. C. Black, Mr. and Mrs. Guy Harp, Mr. and Mrs. J. W. Kleinschmidt, Mr. and Mrs. W. L. Smith, Mr. and Mrs. Dan Sanders, Mr. and Mrs. C. L. Thompson, Mr. and Mrs. Clyde Warwick, Mr. and Mrs. Lee Foster, Dr. and Mrs. J. E. Cundiff, and Dr. R. A. Neblett.

MRS. T. B. McCARTER HAS CLUB FRIDAY P. M.

A colorful party was that given by Mrs. T. B. McCarter last Friday afternoon at her home, 1819 Fifth Avenue, when she entertained the 1930 Bridge Club.

The Thanksgiving color motif was carried out at the occasion by use of table appointments and chrysanthemums throughout the entertaining rooms.

At the tea hour guests were invited into the dining room and were seated at the beautifully appointed table, which was laid with an Italian lace cloth and centered with a silver bowl of red chrysanthemums and orange candle sticks. Tasty refreshments were served.

Guests coming in for tea were Miss Jennie C. Ritchie and Mrs. A. M. Meyer. Others seated were Mrs. Wallace R. Clark, Mrs. S. L. Ingham, Mrs. J. L. Duffot, Mrs. C. H. Jarrett, Mrs. J. S. Humphreys, Mrs. F. E. Savage, Mrs. D. A. Shirley, Mrs. Clyde Warwick, Mrs. Annie Wofford, Mrs. A. W. Sternberg, Mrs. L. F. Sheffy, and Mrs. Leon Lassers.

MRS. HOWARD TRIGG HAS MISSION CIRCLE TUESDAY

The gracious hospitality of Mrs. Howard Trigg was enjoyed Tuesday afternoon by members of the Rose Walker Circle of the Baptist church when they met at her home for their weekly Bible study.

Circle president Mrs. J. C. Dowd presided during the session. Mrs. Minnie Laughery gave the devotional, followed by interesting reports from Mrs. G. R. Reid and Mrs. J. D. Key on the Baptist Convention they attended last week in El Paso.

The following members responded to roll call with favorite scriptures: Mrs. R. W. Ratcliff, Mrs. M. E. Sogee, Mrs. J. R. Hicks, Mrs. J. H. Langston, Mrs. C. W. Morris, Mrs. J. D. Key, Mrs. G. R. Reid, Mrs. Guy Cole, Mrs. J. C. Dowd, Mrs. E. B. Anthony, Mrs. I. M. Steen, Mrs. Charles Stratton, Mrs. Minnie Laughery and the hostess, Mrs. Trigg.

A tasty refreshment plate with coffee was served at the conclusion of the program.

MRS. NEWTON CRAIN IS HONOREE AT SOCIAL

A party was enjoyed by friends on Thursday, Nov. 4, at the home of Mrs. W. H. Carter when Mrs. Carl Schroeder and Mrs. Carter entertained honoring Mrs. Newton Crain.

Several games and contests were played by the visitors before delicious sandwich plates with coffee was served to those present, including: Mrs. H. W. Crain, Mrs. J. M. Craig, Mrs. J. V. Williams, Mrs. Francis, Mrs. Henry Prichard, Mrs. Ross Craig, Mrs. McDaniels of Happy, Mrs. Lonnie Byars, Mrs. James Jennings, Mrs. Cass Jennings, Mrs. Tom Gooch, Mrs. M. O. Slack, Mrs. Louis Browning, Mrs. Lynn Heizer, Mrs. David Horn, Mrs. Myrtle Schroeder, Mrs. A. A. McMillan, Mrs. Carl Schroeder, Mrs. W. H. Carter, and Miss Vera Mae Carter. Gifts were sent by Mrs. Clarence Bauer, Mrs. W. A. Cates, Mrs. Neal and Miss Mary Neal, and Miss Allie Dozier, former home agent.

Mr. and Mrs. C. A. Stockhaus of Panhandle were attending to business interests here Monday. They also visited relatives and friends while here.

BUSINESS WOMEN ENJOY GALA AFFAIR LAST EVENING

The annual guest party of the Business Women's Club was held last evening at the home of Mr. and Mrs. R. P. Jarrett, 408 Tenth Street. The Thanksgiving color motif was introduced by the use of fall flowers throughout the entertaining suite, and by the table appointments, arranged for bridge.

Unique hand made tallies in keeping with the Business Women's group and suggestive of the business firms of Canyon were the high note of the evening's entertainment.

At the conclusion of bridge, prizes were awarded Mrs. Earl Robbins and K. E. Frieze, both high for the women and men respectively, and Mrs. Carl Scott received traveling prize.

For the service, covers were placed in keeping with the chosen holiday scheme. A tasty refreshment plate was served, consisting of creamed chicken in patty shells, cranberry salad, celery curls, macaroons, hot rolls, and coffee.

Members and guests were: Mr. and Mrs. C. R. Flesher, Mr. and Mrs. J. J. Walker, Mr. and Mrs. K. E. Frieze, Mr. and Mrs. Donald Trolinger, Mr. and Mrs. T. A. Yearlings Won 14-0 From Trinidad on Armistice Day

Playing before an enthusiastic homecoming crowd at Miner Stadium on Armistice Day, the West Texas State Yearlings plastered a 14-0 defeat on the aggressive Trinidad Junior Trojans.

Plunge was matched against plunge as the two teams battled on even terms through two periods of scoreless football. Two quick scoring spurges early in the third period provided the margin of victory for the Yearlings. Earl Stagner, Yearling right end, opened the scoring when he gathered in a yardward aerial heave of Trojan half-back Sam Sarraceno's on his own 40 and behind the expert blocking of his mates ran untouched down the sidelines for a touchdown. Jim Foust converted from placement.

Before the amazed Trojans had time to regain their breath, the Yearlings had marked again. Velton Sogree faded back and flipped a 35 yard pass to Dewey Johnson, Yearling right end, who raced to the one foot line before he was brought down from the side by Sam Sarraceno, Trojan safety. On the next play, O. D. McLellan, transferred from center to carry the ball over for the Yearling's second center.

Eldon Davis, Yearling halfback, continually ripped off long gains, and was likely the offensive star of the game. Dalbert Barron and O. D. McLellan were defensive standouts for the Yearlings.

The Masons have made frequent trips to Amarillo this past week.

Mr. Brown and Mr. Fuqua went to the agriculture meeting at Canyon Tuesday.

The Highland H. D. Club met at the home of Mrs. Turner McDade Tuesday. The next meeting will be the Christmas party to be held December 7th at the home of Mrs. Clay Fuqua.

An inquisitive co-ed who recently discovered that girls spend an average of two hours a day before their mirrors, thinks it is incredible that the "eds" at Stafford hall, the dormitory for boys, need only 2½ hours per week before their "looking glasses."

She appointed a few observers and learned that the boys of the hall spend only 5 minutes in front of a mirror before dashing to an 8 o'clock class, 2 minutes getting ready for the noon and evening meals, and about 15 minutes preparing for an evening date. The 15 minutes include one for brushing the teeth, 10 for shaving, 30 seconds putting each hair in place, and a glance to see if the tie is on straight.

Some boys dispense with the glance, having perfected a sub-conscious habit of straightening their ties at frequent intervals during the day.

As might be expected, there are exceptions to this average. One boy, it is reliably reported, approaches the co-ed total of 2 hours daily, but it is claimed that this time is used mainly for self-admiration rather than "primping."

The co-ed snooper reports that the average girl thinks the average boy could well spend more than 2½ hours before his mirror every week.

Imperial Singers to Give Lyceum at W. T. December 9

First of the series of numbers of the College lyceum program this term will be a program Dec. 9 by the Imperial Singers, a group that is well known by reason of its stage and radio work.

The Imperial Singers will present favorite songs, such as the Prison Scene from "Il Trovatore" and pleasing melodies from the light operas of Gilbert & Sullivan and Primi.

Members of the troupe include Margaret Truman, soprano, of Warren, Ohio; Vera Hatch, piano and alto, of Cleveland; George Vaughn, tenor, of Cleveland; H. Tom Little, tenor, of Oklahoma City; Lloyd King, manager and baritone, of Cleveland; and George Scott, bass, accompanist, and reader, of Olean, N. Y.

Each of these is an experienced artist and each has a voice which has been heard in hundreds of public programs. While most are soloists, each has done much choral work and is equipped to give the excerpts from the operas in the best professional style, according to Prof. Wallace R. Clark, head of the College department of music.

THANKSGIVING SERVICES FOR PRESBYTERIAN CHURCH

Sunday will be the beginning of Thanksgiving week at the Presbyterian church and a series of services will find their climax in the union Thanksgiving service on Tuesday evening at the Christian church. These services of thanks begin with a special service at the Sunday School hour, at 9:45 a. m. There will be a special Thanksgiving program including a short one-act play, "The Thank You Party," presented by eight members of the Junior department.

At 11 a. m. the Rev. Mr. Dorsett will speak on the subject, "Priming the Spring of Thanks."

At the evening worship hour at 7:30 p. m., Mr. Dorsett will speak on the subject "Stand on My Shoulders."

At 6:30 p. m. four Christian Endeavor groups will meet for all ages from Juniors through the young people. The Juniors and Intermediates are studying the missions book "The Moslem World"; the Senior Tuxis group is studying "Our Presbyterian Church" and young people will continue a study of Harry Emerson Fosdick's latest book "The Secret of Victorious Living."

Six-Foot Sausage Is Show Exhibit

Sausage is really going up—six and a half feet—if this giant wiener displayed above by Aetna Tuff at the Los Angeles Food and Household Show is any indication of price trends. The huge 100-pound exhibit dwarfs the normal size links the girl holds in her hand.

QUATTLEBAUM CLOSING PASTORATE IN CITY

Rev. J. O. Quattlebaum closed his fourth year as pastor of the local Methodist Church last Sunday. He left Tuesday for the annual conference and will report all obligations of the year paid in full.

Appointments for the coming year will be read Sunday night by the Bishop. It is likely that Rev. Quattlebaum will be moved to another charge, but no indication has been given as to who will succeed him in Canyon.

Miss Florence Bellah was called to Gainesville Thursday by the death of her sister-in-law, Mrs. Carrie Bellah. She returned home Sunday.

Mr. and Mrs. B. B. Cluck and daughter, Miss Polly, returned from Austin Sunday after spending a week there where they attended the family reunion arranged to celebrate the golden wedding anniversary of Mrs. Cluck's parents.

Ray Campbell returned home Saturday from Wichita Falls where he spent a week at the bedside of his brother, who has been seriously ill.

Yearlings To Battle Tech Picadors In Season's Last Game

Coach Bob Cox's Yearlings will trek to Lubbock Friday to engage the Texas Tech Picadors in their final game this season.

Aware that this is their hardest assignment, drills this week have placed emphasis on stopping a potent Tech offense that has throttled to a walk every team they have faced this season.

The Yearlings came out of the Armistice Day fray in a fine frame of mind and with no injuries. Eldon Davis, who seemed to find his stride in the Trinidad fray; Jim Foust with his deceptive running; and Velton Sogree, Yearling passer, should prove the main factors in

giving the Tech Frosh a miserable afternoon.

The starting lineup for the Yearlings will likely be the same as in the Trinidad Junior College game.

Mr. and Mrs. K. A. Britt went to Roswell last Friday where they visited at the home of their son, Mr. and Mrs. K. A. Britt. Their small grandson returned home with them, to stay until the Thanksgiving holidays.

E. A. Oberst returned last week from a visit with his son, Dr. Fred Oberst at Lexington, Ky., and other relatives in Nebraska, Indiana, and Kansas.

Howdy, folks, howdy:

Oh boy! Oh boy! Is Miss Goodrich old-fashioned; or is she old-fashioned? What makes me think so? Well if you could have been up to school to her day you'd a thought so. Why, would you believe it, she had a bunch of girls out there in front of the school doing a square dance.

But then, I don't blame 'em, the boys was playin' them thar fiddle, guitars, and mouth harps so purty that I woulda joined 'em if Miriah hadn't been there.

Dodo, what's this I hear about you and Buddy Tomlinson? Why did you come ter school with black eyes, or loose teeth. Was Buddy to fast for you, or was he to slow to catch you?

Boy, them Eagles shure goin to town. Thursday when I was at the ball game they reely gave those Dumas Demons a drubbing.

I sez more power to you boys when you set out to battle with the Tulia Hornets. I'll be shure to be thar with bells on so's ye don't get stung.

Yers fer District Cahmpeen-ship.

IS IT PROPER TO GIGGLE
AS A CORPSE PASSES?

If America were a fascist nation, everyone would be forced to reverently salute the flag when it passes and stand at attention while listening to the "Star Spangled Banner," but since no one makes us pay great honor to our country, we often do not show our respect to the emblem of the United States.

When men from the American Legion, who actually fought for the flag, carried it into assembly last Wednesday, many high school students laughed or showed other signs of ignorance when the flag passed by rather than saluting it and standing at attention.

Suppose you were in Germany; you giggled rather than salute the flag. How long would your head remain in its proper place?

Our flag should hold our respect doubly just because we are proud of it, not because someone asks us to salute. The United States flag represents thousands of soldiers who died for it. If all those dead bodies had been carried down the aisles of the auditorium, do you suppose a single person would have laughed?

MISSED—TWO HOURS SCHOOL
FOUND—SIX EXTRA HOURS

One bright sunny afternoon a group of people were congregated in front of the school house. What was being said would never have been known by anyone except the ones who were in the group if I hadn't taken this time to tell the story.

Here is what was said: "Let's play hookie this afternoon," said one; "let's do," said another; so the plans were in the makings for a good old hookie playing.

Did it pay? Well, let's see: The party stayed in six hours after school, got triple make-up work, a hard look from the teachers, and had to miss football practice.

Why doesn't the student council fix a regular punishment for the hookie players?—T. B.

James Allen Inman was given a birthday party Friday in his home-room, 2B. His mother, Mrs. Harry Inman, served punch and cookies to the children. Games were played in the gymnasium.

Questionnaire Shows P.T.A. That
Pupils Enjoy Evenings at HomeCondron Speaks on
World Peace

Speaking on the subject, "Can We Educate for Peace," S. H. Condron, social science teacher in West Texas State Teachers College, addressed the student body in an assembly November 10 at the high school auditorium.

The United States flag and the American Legion flag were set up on the stage by J. B. Fowler, J. M. Daugherty, G. A. Farlow and F. A. Black, members of the American Legion. The students arose and made a right hand salute, then the "Star Spangled Banner" was sung by the assembly. John Hunter, post commander of the American Legion, was seated on the stage with S. H. Condron and Superintendent Caruth.

"War will not be ended by war," Mr. Condron said; then he pointed out to the students that the goals for which the World War had been fought had vanished.

He told the students of the cost of the war and gave examples of what could have been done with the money spent in the world war.

In speaking of the condition of the world today, he said, "We have every element necessary to start a war." Mr. Condron thinks that it is the lack of intelligence which causes nations to go to war, and that the people must be educated and must understand each other before we can have peace.

"I believe," he said, "that the American Public Schools are the foundation on which peace will be built."

Band Is Buying New
Uniforms

The band of Canyon High School is raising money to get military style uniforms. The first chair will get uniforms first; then others will be added as funds provide. They hope to have 55 new uniforms before school closes in the spring.

There are several new players and instruments. Kettle Johnson is to play the bell lyre; Raynelle Rigby is to play symphony for the first time in public; Leroy Wooten will play a flute; Leroy Marland will play a piccolo; Clarence Eugene Thompson will play a cornet; Dean Hines will play a trumpet, and Dannie Stewart will play a french horn.

The band has a new way of learning to march. Mr. Marshall Riemenschneider, band director, has put a top sergeant in charge of all the band. There is a sergeant in charge of each two lines in the marching band, and a corporal for each single line. The sergeant acts as the corporal for the second lines.

Raynelle Rigby is now playing the kettle drums which the seniors gave last year.

The corporal teaches the members fundamentals in marching.

Milton Morris, advisor of the Canyon Chapter of Future Farmers of America, and a few of the members will go to Mr. C. R. Garner's place two and one-half miles south of Amarillo to take the monthly test of Mr. Garner's herd for the Advanced Registry tomorrow.

The class has been studying recently the amount of butterfat and the number of pounds of milk it takes to get in the Registry of Merits. They have also been studying the "Figuring of Silos."

The F. F. A. has received their film strips for a picture making machine. One picture is on judging hogs and another is on breeds of sheep. They are as yet undecided about the purchase of a moving picture projector for the showing of such pictures.

GRADE SCHOOL HONOR ROLL
HAS ADDITIONAL NAMES

The following names have been added to the Honor Roll for the Grade School since last week. Jane Campbell, Ellen Root, Mary Ann Bellah, and Ruth Thompson.

Lester Smith, ex-student of 36, visited school Monday.

Sensational in the life of the Canyon Parent-Teachers Association, are the results of a recent questionnaire in which statistics show that the traits which annoy most students about their fathers, contrary to the prevalent idea that parents are training sons and daughters against such habits, are drinking, use of profane language, and use of tobacco, and that 95 per cent of the students would enjoy a social evening at home with the family.

The radio was the thing best liked about the home. Family quarrels and partiality seemed to be disliked most. Two-thirds of the students had a place to study alone. Two-thirds thought their parents could provide such a place. The other one-third didn't have such a place and didn't think their parents could provide such a place. Most of the parents have tried to give the students an education, which seemed to be appreciated by most of them. They admired their fathers most because of their generosity, good nature, and honesty. Most of the students admired their mothers for their good cooking. The trait which annoyed them most was mother's habit of worrying over trivial matters.

Students Have Freedom

When asked if they had too little freedom, 15 per cent said, "yes;" the other 85 per cent thought they had neither too little nor too much. Only 14 per cent of the students are allowed a definite allowance weekly. Ninety-one per cent think their mothers should not read their mail. Ninety-six per cent of the students thought their parents respected their opinion. If they had a choice between theirs and some other parents, 95 per cent would choose their own, while five per cent would take others.

Twenty-five per cent of the students are more obedient to mother, 35 per cent obedient to Dad and 40 per cent obedient to one no more than the other.

Invite Friends to Homes

Only 88 per cent of the students felt free to invite friends to their home. Seventy-six per cent thought their parents tried to influence them in the choice of their friends. Eighty-nine per cent thought their parents listened when they talked over matters with them. Twelve per cent did not care for parents' looking through their pockets. Only 14 per cent thought parents should accept engagements for them without consulting them; 86 per cent objected.

Ninety per cent thought their parents were good sports; 10 per cent did not. Sixty-two per cent thought their fathers enjoyed playing with them, 38 per cent did not. Thirty-four per cent admired Mother more; 30 per cent, Dad; 36 per cent neither more than the other. Eighty-six per cent thought parents trusted them; 95 per cent were proud to introduce parents to friends. Ninety-five per cent think their mothers have good personal habits; 84 per cent thought Dad did.

The way they were treated at home seems to be their most pleasant memory, when they leave home. There were many favorable comments for the home, such as: "No place like home," "best place in the world."

This questionnaire was taken from several others given in other schools, and included what the faculty and parents considered important in a study of the home life of Canyon High School students. The results were given at the Parent-Teachers Association meeting, November 9, by Gerald Brown, teacher of social studies in Canyon High School.

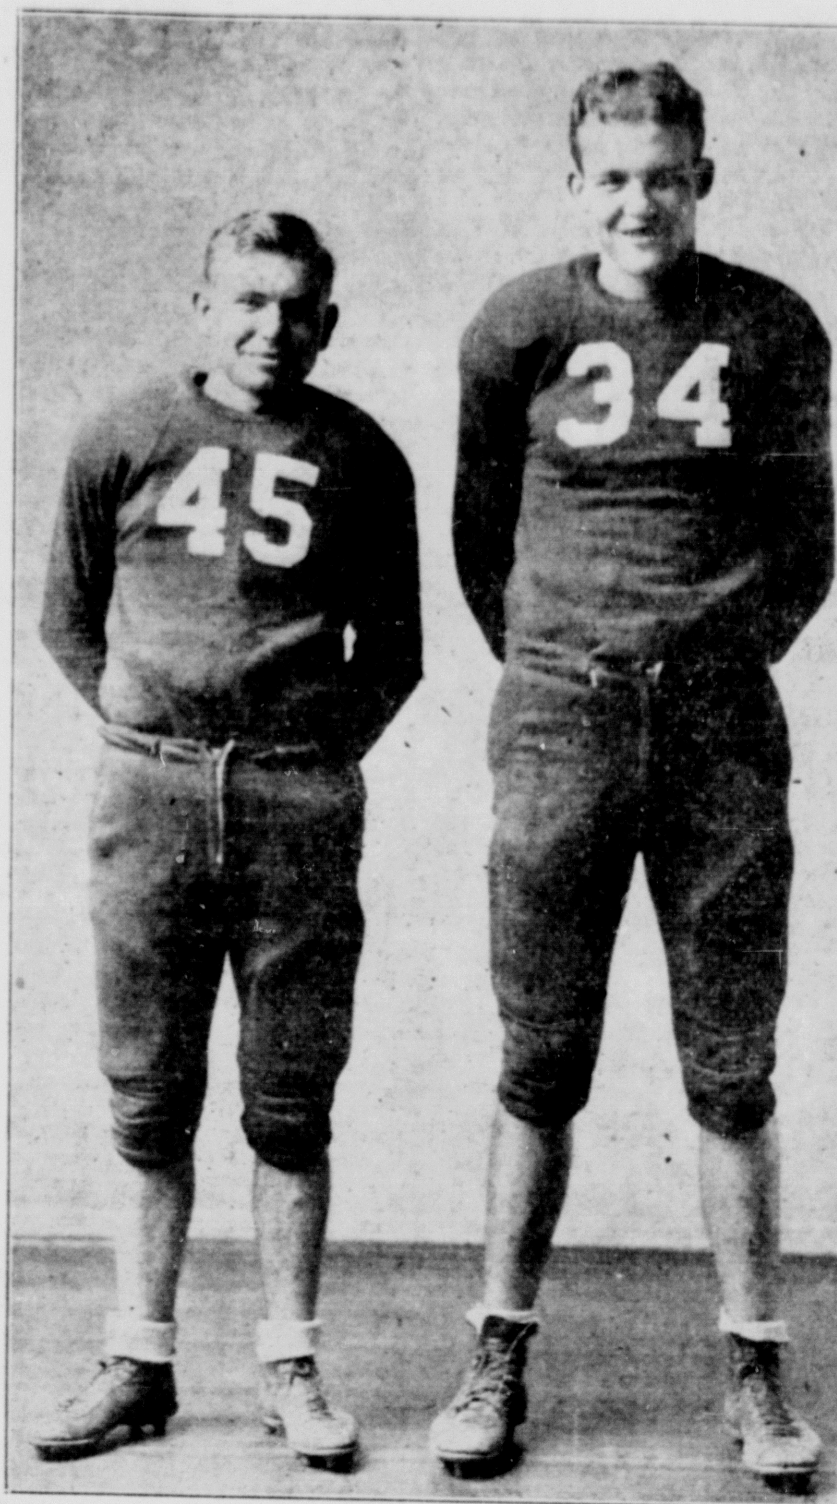

At the next meeting of the Parent-Teachers Association, which will be held December 7, Mr. J. L. Duflot, professor of sociology at West Texas State Teachers College, will show the underlying causes and results of these answers, and offer solutions and suggestions for adverse conditions and attitudes.

"Look Who's Here"
Is Senior Play

"Look Who's Here" has been selected as the senior play for this year. The books have been ordered and practice will start some time next week.

Work on the play was started early in order that the play can be given before the spring rush of events. "Look Who's Here" is a farce comedy in three acts. It has nine characters.

Mrs. John Hunter and her daughter, Lilla Mae, Mrs. E. A. Michael, Mrs. Brietling, Mrs. Tony Burrus and her son, Jackie Dee, and Mrs. Bradley Burrus and her daughter, Juanelle, were visitors in assembly on Armistice Day.

I WONDER IF

I wonder if the fishermen think fishing isn't fun;
I wonder if the race-horses think it isn't fun to run;
I wonder if my mother thinks cooking isn't play;
I wonder if it isn't fun to teach a class all day.
But I guess I'll have to wonder all my whole day through;
And when I'm grown and married will my children wonder too?

Faculty Exhibits
Local Material

Exhibits showing how the local community life and surroundings of this school can be used to improve and enrich the curriculum was the feature of the faculty Study Club last Wednesday night.

Miss Grace Clark, teacher of mathematics, explained and illustrated with notebooks, which had been made by the students, how geometry had developed and contributed to civilization. Miss Clark said, "Everything around us in some way is connected with geometry."

Mr. Gordon Beck, teacher in the elementary grades, exhibited the results of a unit that had been studied by the pupils in the sixth grade. The unit was on Pioneering in the New World. The books that were used in the making of this unit were also on display. Mr. Beck said he believed that his students had enjoyed building the miniature castles, farms, Indian villages, and other parts of the pioneer set-up more than anything else they had done this year.

Miss Helen Anglin, who is in charge of the Library, named the outstanding books in each line of work. She did this by comparing them to the different courses of a meal. For example the staff of life is bread and the staff of literature is the dictionary. To illustrate her talk, Fern Walters and E. W. Woods assisted her by sitting at an attractively arranged dinner table.

Miss Elva Fronabarger, chairman of the program committee, introduced Miss Slay, who played the following selections on the accordion: "A Modern Swing Waltz," "An Old Melody Waltz," a combination of Marches by E. F. Paul, and "Blue Hawaii."

Refreshments of pumpkin pie, whipped cream, and coffee, were served to all who were present.

The professionalization of teachers in Canyon is the subject to be discussed by the faculty at their next meeting.

Forest Hill, ex-student of '36, who is attending Texas Technological College in Lubbock, attended the Canyon-Dumas football game.

Rusk Leads Eagles
Over Dumas

The Canyon Eagles defeated the Dumas Demons 27 to 0 last Thursday at Buffalo Stadium.

In the first quarter D. A. Butler scored the first Eagle touchdown. Rusk's kick for the extra point was good. Ray Ford Rusk scored the second touchdown for the Eagles. Rusk converted from placement. The Eagle's third touchdown was made by Alvis Ford in the third quarter. Joe Gill kicked the extra point. The Eagles scored again in the third quarter when D. A. Butler scored a touchdown through the Dumas line. Gill's kick went wide.

SECOND GRADE
GIVES PARTY

A party was given by the second grade pupils for their parents last Wednesday in their home-rooms. Refreshments of animal cookies and punch were served. The children told stories.

Both of the second grades have recently finished a unit on wild animals. They have read several stories about animals and have drawn pictures. They also have drawn a frieze of an animal parade. Mrs. Stella Murrell's room has made a miniature circus and have placed cut-out animals in the cages with signs saying, "Do not feed the animals." They have also modeled animals out of clay.

The parents attending the party in Mrs. Oia Beeson's room were: Mrs. C. C. Morton, Mrs. B. A. Burrus and Juanelle Burrus, Mrs. Alfred Bellah, Mrs. Gus Danner, Mrs. I. M. Steen, Mrs. Earl J. Davis, Mrs. Tommie Pierce, Mrs. Vaughn Allen, Mrs. John Hunter and Lilla Mae Hunter, Mrs. Tony Burrus and Jackie Dee Burrus, Mrs. E. A. Michael, Mrs. Carl Seitt, and Miss Lula Lee Teal.

Those attending in Mrs. Murrell's room were: Mrs. E. C. Prichard, Mrs. Jack McBroom, Mrs. G. H. Prichard, Mrs. H. R. Finch, Mrs. A. A. McNeill, Mrs. A. N. Abbott, Mrs. Harry Inman, Mrs. Clem Dugan, and Mrs. Emmett Prichard.

Home-Makers Plan Joint
Social With F. F. A.

The Homemakers Club met Friday to discuss a joint social with the Canyon chapter of the Future Farmers of America. Committees were appointed to work with Future Farmers to plan the program and refreshments. The date for the social was set for December 7.

The Mother-Daughter Banquet will be some time near Valentine.

Edrie McNeill, junior, spent the week end in Amarillo with Geneva Broom.

Entertainment, Or
Is It History?

By Martha F. Campbell

"Ahhh! Fifty three more minutes and we eat! . . . What would you order, if you could enter a classy cafeteria and order anything you wanted? On the menu there would be one-half a fried chicken, mashed potatoes, gravy, rolls, English peas, cranberry sauce, chocolate cake, all kinds of pie, ice cream—(Following this pause a loud moan is uttered by the class.) "Now," he continues, "I will probably go home today for a lunch of brown beans, water, and a toothpick." (Obstreperous laughter from everyone.)—thus the second class of World History, taught by Emil Hutto, is under way.

Many amusing things happen in this history class, but strange as it seems, nearly everyone seems to be learning the history. Mr. Hutto's anecdotes, or are they anecdotes, are interesting whether pointed or not.

Conquest of Egypt

"I see in today's lesson, the conquest of Egypt. Can anyone tell me what was worth remembering about Egypt? . . . Yaassss! Cleopatra was supposedly the most beautiful woman in the world. Probably she looked like Vaughn Vandergriff did when he was dolled up at the Carnival the other night." You get the point. Mr. Hutto emits these witticisms; everyone gets a laugh, and they learn history at the same time, or do they?

Whoa! whatta we got here? (Sometimes the situation gets quite tragic in his class.) Is it a bull dog? No! wait, the lid lifts, and it resembles a pin-headed pigmy (?) Oh, yes. This is the dear teacher attempting to get a football helmet down over his ears.

Hutto Turns Poet

"You wouldn't think," sighed Mr. Hutto, "that an old, flea-bitten man like me would have a yen for poetry. But I do! I believe my favorite genre of poetry are 'Crossing the Bar,' (what kind of bar, Mr. Hutto?) and the 'Vision of Sir Launfal'." Sooo—beginning with the first stanza, "Over his keys the musing organist, Beginning doubtfully and far away, First lets his fingers wander as they list, And builds a bridge from Dreamland for his lay." Mr. Hutto recited portions of the entire poem while he continued to wear the football helmet.

Assigns Lessons

Finally when the teacher notices the time and the fact that he hasn't taught much history, he scrambles some choice selection in a manner akin to this: "My golden spurs now bring to me, And bring to me my fan mail. For tomorrow we go o'er Greece and Rome."

In search of Hasdrubal's head. "That is your assignment for tomorrow. It will be found on pages 144 to 150."

The bell! . . . "Ahhhh, lunch!" (the latter is sighed by Mr. Hutto.) P. S. Mr. Hutto was found gazing intently in the World book, where types of food were illustrated, at 1 o'clock that afternoon.

We Can't Hear You,
Cowboy

"Turn around, Cowboy, we can't hear you," calls the crowd in the auditorium to Cowboy Wesley, who is playing on his Jew's harp.

"I can't," replies Cowboy, "I'll get tickled watching some one." So the "Hay Riders" get under way and swing it. Who are the Hay Riders? They are several boys who belong to Milton Morris' F. F. A. organization.

Eston Brietling and Corliss Curry play guitars, Jessie Bewley, Charles Gerald, and Milfred Graves play French Harps, Joe Harry Roberts plays the violin, and Cowboy Wesley, the Jew's harp.

These boys play every day at the noon period. The first day Miss Lois Goodrich with several girls had an old-fashioned square dance in front of the high school building.

Science Club Adopts
New Project

The Science Club, led by Martha Joe Newlin, and Lewis Shirley, sponsor, has taken as its first project, photography. Members have brought their cameras to class, and the principal parts and their use have been explained.

At meeting time Mr. Shirley described the chemical process in developing films. Small groups of the club plan to go to Hudson Prichard's dark room at his home for experimental work concerning the development of pictures.

The Science Club meets every Friday at the regular club meeting time in the chemistry room.

Eagles; Hornets
Will Tangle
At Tulia

Eagles Undefeated; Tulia Defeated by Plainview And Panhandle; Last Game For the Loser

SCHOOL TURNS OUT

Band, Pep Squad, Drum Corp, Will Go to Back Eagles at Game

The Canyon Eagles, winners of the north section, and the Tulia Hornets, winners of the south section, will clash at 2 o'clock next Wednesday at Tulia for the championship of District One-B.

The Canyon Eagles won last week from Dumas 27-0 in the last Conference game of the north section, while at Whiteface Field Tulia won from Hereford 25-0 in a conference game.

The Tulia Hornets by the dope bucket are favorites to win. The Hornets have beaten two teams with a slightly larger margin than have the Eagles. The Eagles beat Hereford 12-0. The dope bucket is very often overturned.

School will turn out at noon so everyone may go to Tulia for the game. The pep squad and band will go to Tulia in the buses and plan a stunt at the half.

The district football trophy is being exhibited in the trophy case in Canyon High School. It is a large silver football with "Champions District One Class B 1937" on it.

The probable starting lineup is:

Vandergriff	le	Moon
Brasuel	lt	Cameron
Carr	lg	Ragers
Butler, T.	c	Stewart
Pope	rg	McDonald
Crowley	rt	Honeysucker
Hill (c)	re	McCaslin
Rusk (c)	q	Hale
Ford	lh	Cook
Butler, D. A.	fb	Graham
Gill	fh	Arterburn

The business men showed that they were backing the Eagles by closing their doors and going to the football game last Thursday at 2:30. The Eagles were treated last week by Estil Furlow, W. H. Stroud, Owen Miller, John Hunter, Jarrett Drug, and W. J. Wooten.

Dramatics Club
Gives Plays

The dramatics club, sponsored by Miss Helen Anglin, gave two one-act plays, "Elmer" and "Parlor Tricks," and the high school band, directed by Marshall Riemenschneider, gave a concert in the high school auditorium Friday evening.

In "Elmer" an evening wrap belonging to Susan, who is Katherine Bolling, is lost as she is getting ready to go to a junior dance. Janie, played by Doris Marie Ball, decides she wants to wear this evening wrap to a formal supper, but it is lost and all the family thinks that a burglar has stolen it. After Janie leaves without the evening wrap, Elmer, who is E. W. Woods, goes upstairs and brings it down to the dismay of all of the family.

In "Parlor Tricks" Mellie, an old maid, played by Sue Terry, is to have a friend visit her. The girls try to give her some hints on how to act, and she practices on Edith, played by Eva Griffin, who is dressed as a boy for a masquerade party. The friend calls and is a girl who goes by the name of Bob Miller, played by Raynelle Rigby. Bob asked Mellie to go riding with her and two boy friends. Mellie consents after she has found out all about Bob Miller, whom she thought was a boy, but to her amazement is a girl.

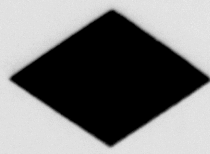

Shirley Ann Newberry sang and tapped, "Shoven' Right Off for Home" between the plays. Hazel Sanders and Edrie McNeill sang "Harbor Lights."

Skits from each of the plays were given in assembly last Tuesday afternoon.

The proceeds of these plays will go to buy song books for the use of the student body in assembly.

Martha Jo Newlin, Sarah Thompson, Billie Bewley, Billy Black, seniors, Annie Lee Newlin, seventh grade, and Mrs. Ora Newlin visited in New Mexico the latter part of last week.

GET ALL YOU PAY FOR

Full value cannot be determined by either the yardstick or the scale. You may get full weight and full measure and yet not get full value.

Service and satisfaction are big factors in determining value. It's the aftermath of a purchase that establishes your value, your service, your satisfaction.

You cannot get those things from the transient trader. He's gone-on his way before your goods are fully tested. He makes his "getaway" before the goods make their "give-away."

You can't get this kind of goods from out-of-town firms, because they have no interest in the welfare of Canyon.

But, your home merchant is with you all the time—ready and eager to back up his merchandise: maintaining an interest in it because he is vitally interested in maintaining your patronage, year in and year out.

That's why your local merchant cannot afford to sell anything but reliable goods.

Delegates Named to Agricultural Meets By County Board

The County Board of the Randall County Agricultural Association met Tuesday afternoon for the purpose of electing delegates to the annual meeting of the State Association to be held in Ft. Worth, Dec. 8, 9, and 10.

The Randall County Agricultural Association is made up of two representatives from each of the nine communities of the county. The State organization is made up of all the county units of the state, which is in turn affiliated with the National Farm Bureau Federation.

The delegates selected this year are J. P. Hix and Ross Craig. They will represent Randall County at the state convention. J. P. Hix, who is county chairman this year, will also represent the county at the National Farm Bureau meeting in Chicago Dec. 13, 14, 15, and 16.

Randall County is second to only one county in Texas in point of paid memberships in the State and National Farm Bureau organization for the year 1937. The 1938 membership rolls will be made up during the first quarter, January to March.

Pecans Are Raised At Rockwell Place North of Canyon

M. H. Rockwell brought two small branches from one of his pecan trees to the News office Monday on which there were 17 pecans. Mr. Rockwell states that Mrs. Rockwell planted pecan seed about 13 years ago. The largest tree is now 24 feet high, with a 40 foot spread. It has been bearing nuts for 6 years. 25 pounds of pecans were picked from the large tree this year.

The nuts are large, but the shells are thicker than the paper shell variety. Many people in Canyon have never seen nuts on the branch of a pecan tree and have expressed appreciation to Mr. Rockwell for having displayed these at the News office.

ORGAN RECITAL M. E. CHURCH SUNDAY EVE.

Miss Mary Angelin Russell of Plainview, a graduate of the Chicago Conservatory of Music, will give an organ recital Sunday evening at 8 o'clock for the Thanksgiving Worship service at the Methodist Church. Everyone is given a cordial invitation to attend this program.

CIVIL SERVICE JOBS OPEN FOR EXAMINATION

Civil service jobs are opened in the helium plant at Amarillo, and examinations will be held soon.

Another opening is for junior scientific aid (fossils) in the National Museum.

Information may be secured regarding the examinations at the postoffice.

Burrow Talks

(Continued from first page)

nothing of the quality of the water Canyon has, which has but fifty-two equals in the entire state of Texas. There are but fifty one other towns in Texas that can display the sign you will see on the north side of the court house. Too, it must be remembered that our wells are very deep and cost more to produce our water than it does those towns who have surface water or shallow wells.

"We have a very favorable contract with the Utilities Company for the pumping of our water, which is due to the efficiency of one of our former Mayors, C. N. Harrison, but the matter of putting the water in the standpipe or overhead tank, is small as compared with the maintenance of the water works department. It must be remembered too that out of consideration of our fire boys—nineteen in number—we ordered back in 1932, that each be allowed the use of as much as four thousand gallons of water free, which is no small item, but since our fire department is volunteer, and no better, more faithful crew ever lived, we thought then and believe yet, it but simple justice to them even though it does add materially to the cost of the water produced and sold.

No Sewage Charge

"You must bear in mind that many towns make a sewer charge, and an additional charge for each lavatory, sink, stool or any other sewer connection, while our city makes no such charge. It has been the practice of our city to make no charge to the churches of the town for the water they use, which, over a period of years, will run into a neat little sum.

"Then there are a number of widows in town who cannot pay for the

water they use, and we have not seen fit to discontinue the service to them. Unfortunately we have a few users who will not pay and the loss from that source adds to the cost of the total.

"Last but not least, we have more than One Hundred Thousand Dollars tied up in the water works department. More than Fifty Thousand Dollars invested in the sewer lines of the city, all of which must be maintained and which cannot be done without an income for the purpose.

Irrigation Rates

"In 1932 we had an irrigation water rate for eight months of the year at 40 cents per thousand, less ten per cent, when as much as six thousand gallons were used. Now our rate is 35 cents per thousand, less ten per cent, available the year around. Our present industrial rate is 25 cents, which is the lowest it has ever been.

"We often do not realize what the different departments of our city government means until one happens to break down, and more especially will this apply to our water works department. We go to the faucet for GOOD, CLEAN water and expect to get it; wish to flush the toilet and we expect it to do the work, and if when it fails then, but not until then, do we realize at what small cost is our outlay for water. I have just returned from a section of Texas where the Chic Chic Sales "two-holers" are yet very much in evidence which makes me feel like shooting the feet off anyone who hollers about the cost of the city water in the town of Canyon. It is mighty fine to talk about a lower water rate and beautifying the city, but let's not forget, in the criticisms we have to make, that we operate under the general laws of Texas and there are certain things we can do and many others we cannot do. We cannot force any one to beautify his premises, not even cut the weeds, so in the final home run it is necessary that we let common sense rule.

Pay off Bonds

"Aside from the water rate question we think it might be interesting to you to know that the bonded indebtedness of the city when the present commission went into office in April, was \$83,000.00. Today the bonded indebtedness of Canyon is \$51,000.00 and we have the cash in the bank with which to retire \$2,000.00 more, which is being done now. In addition to having retired \$32,000.00 of the bonded indebtedness of the city and the cash with which to retire \$2,000.00 more, we inherited a debt of \$2,000.00 contracted by our immediate predecessors for the paving of the intersection of Fourth Avenue with the highway. We have paid \$4,000.00 for the widening of Fourth Avenue, the excavating, replacing of caliche and the topping of the west end of Fourth Avenue around to the public school building, and the cross streets by the Methodist, Baptist and Christian churches. Considerable expense has been due to the hauling of caliche from the underpass to various streets of the city. The right-of-way on eleventh street cost us \$1,600.00, of which amount the Santa Fe Railway assumed and paid \$500.00. In addition to these expenditures the taxable valuation of the city has been reduced from \$2,123,819.00 in 1932 to \$1,267,015.00 in 1937, a reduction of \$856,804.00, or a reduction in income from taxes of \$8,568.00. Our tax rate in 1932 was \$1.00. Since that time we have had it at 90 cents and 80 cents, but this year we found it necessary to go back to \$1.10, due to our having cut to the quick previously. Considerable cash has been expended in the revamping of our sewer disposal plant and otherwise bettering the general sanitary condition of our community. Our delinquent taxes amount to about \$10,000.00 at this time.

New Bond Issue

"Just a word about our proposed bond issue: The election has been ordered at an expense of forty dollars up to the printing of the bonds. If the election is favorable, with an additional sixty three dollars for printing and registering of the bonds. We shall ask the State Board of Education to take these bonds at 3 1/2 per cent at their meeting on the 6th of December, after which they will exercise their right by law of thirty days of grace, and if they do not then take them it is our purpose to sell them to our local citizenship, if any of them wish to buy, but if not then the First National Bank in Canyon agrees to handle the issue or such part of it as is not purchased locally.

"We have had a joint meeting with Mr. Meredith of the WPA and two of his subordinates in connection with the working of home men exclusively on this proposed street work and he tells us that the work must be done within six months and if sufficient local men are available then no outside help will be brought in.

"The present City Commission believes not only will our water rate compare most favorably with other towns of like size in Texas, but that our bonded indebtedness would look good to most of them, it being at this time less than four per cent of the tax valuation.

Honest Employees

"In closing I would like to say that the things this commission has accomplished has been due to the fact that all have been actuated by a strong desire to do for the city the things that seemed best down through the avenues of time.

"I have the highest regard for the

Freshman Courting Fence Dedicated by Miss Richardson

Miss Richardson calls it her "Freshman Courting Fence."

The fence has just been completed in front of the residence of Miss M. Moss Richardson, beloved English teacher at West Texas State College.

The name originates in the fact that the fence has been built out of rocks contributed by her freshmen English students, and she has dedicated it to their comfort. Located on the sidewalk used by most students going to town, the fence is flat on top and of chair height, inviting the lower classmen to sit on it and rest—or "court."

The cornerpost at one end is 5 feet 10 inches tall—the height of Miss Richardson—and near its top is a small plate bearing her name. Below that, in a frame of petrified wood, is a copper plate upon which is engraved the poem, "A Garden," by Thomas Edward Brown. Stones in the fence have come from many individuals and from many states. They have been accumulated during the several years since Miss Richardson decided to build the fence.

The idea for the project was given her in Washington, D. C. several years ago when she visited her brother, Rear Admiral J. O. Richardson, and his family. Her sister-in-law suggested that something substantial, like a stone wall, should be built to typify the affection felt by Miss Richardson for her work, her students, and her section. While in Europe immediately thereafter, the teacher obtained a number of historic tiles for the fence, including two scenes from Don Quixote.

Her English classes, informed of the plan, have since left many rocks in a corner of her yard. This summer, when the rock pile appeared large enough, she decided to build the fence. Friends gave 22 tiles which went into the structure. These are imbedded in the concrete top on which freshmen, present and past, are invited to sit with their sweethearts or wives. The fence is low enough for children to play upon in safety.

It is a fence for freshmen, Miss Richardson insists.

"Upperclassmen may sit there when no freshmen are about—but only then," she says.
